**BOOK INFO:** Join Luke and Layla on an adventure as Captain Tom teaches them the ins and outs of lobstering on his boat, the *Lucky Catch*. A "Lobstering Lingo" glossary explains the specific fishing terms they learn along the way. The *Lucky Catch* lobster boat is a real working boat in Maine. You can learn how to catch a keeper, too!

**AUTHOR:** Stephanie Mulligan worked on *Lucky Catch*, a lobster fishing tour boat, with Captain Tom Martin for eight summers. This was the perfect summer job, combining the best of both worlds – education and the Maine outdoors. She grew up in Otisfield, a beautiful village in western Maine. Stephanie is a former teacher and lives in Maine with her husband and children.
